

BigSpace L-cab.

Exterior width [mm]	2500
Exterior length [mm]	2300
Headroom on engine tunnel [mm]	1990
Headroom in front of seats [mm]	1910

The BigSpace cab with a level floor, 1990 mm headroom* and a width of 2500 mm is perfectly suited to international routes. It features great freedom of movement and plenty of stowage space: 5700 litres of interior capacity and 890 litres of stowage capacity.

A wide range of additional equipment is optionally available for the BigSpace cab – to add individuality and comfort to the working/living areas.
